

Hands on Art is comprised of two new and emerging artists, Rita and Melanie Thorn who, alongside their own painting practices, offer art workshops and classes for groups and individuals of all ages and abilities. New students are always made welcome and encouraged to learn new techniques and to become confident in expressing their artistic concepts. Rita currently runs a thriving art class at Bishampton Villages Hall.

Art classes run on a termly basis and we are hoping to set up new classes and workshops where demand takes us. Watch this space for new art workshops taking place from September 2009 onwards!
