

Viva the Villages!

On behalf of those volunteering with local voluntary and community groups
within the village of Evesham area,

The Evesham Volunteer Centre
would like to invite your organisation to be involved in our

Viva The Villages! Event

On

17th September 2008 6.30-9.30pm

At

Evesham Town Hall

Supper will be provided.

The Event has been organised to promote and showcase voluntary activity within the Evesham area, as well as providing networking opportunities to exchange ideas and experiences. Groups will also raise issues which they are facing within their rural village context.

Local vcs groups would like to meet up with those organisations providing support, information and advice to the voluntary sector.

They want to gain information on the various grants which exist, as well as information on services relevant to their work with vcs groups and available as residents of rural villages.

1 Display board and 1 table will be available for your organisation to set up as it chooses. 16th September and the day of 17th September have been booked up to provide time to set up displays etc.

To book a space at the event or for further details
please contact Helen Gray, Manager of Evesham Volunteer Centre
on 01386 40165 or email manager@eveshamvolunteers.org.uk.

(responses are required asap)
