Please use the space below to make comments on this part of the Neighbourhood Plan.

Access to any development will be restricted by the fact that the road is:

- Narrow with just enough width for cars to pass each other cautiously but nothing larger
- A dead end
- Cars parked on the road for access to existing properties
- Cars parked at school pick up times
- Awkward junction with Cotheridge Lane where vision and access is obstructed by parked vehicles on the junction and in Jarvis Street

The idyllic photograph of an empty street in the Eckington Neighbourhood Plan is not representative of the usual road conditions

Please use a separate form for each representation.

Please state whether you would like to be notified of the Council's decision on the Neighbourhood Plan proposal: Yes please
