

INDEPENDENT EXAMINATION OF THE PEBWORTH NEIGHBOURHOOD DEVELOPMENT PLAN

INDEPENDENT EXAMINER:
Christopher Collison BA(Hons) MBA MRTPI MIED MCFI IHBC

To Pebworth Parish Council and Wychavon District Council by email
Dated 27 March 2019

Dear John and Andrew

Pebworth Neighbourhood Development Plan Independent Examination – Examiner Update Letter

Thank you for your joint response today to the matters for clarification I raised in my email dated 15 March 2019. If I have any queries arising from your response, or in respect of other matters, I will write again. I look forward to a further update when you hear back from Natural England.

As soon as it has reached a suitably advanced stage of preparation, and before I undertake my final checks, it is my intention to send a confidential draft of my report of Independent Examination to both the Parish Council and the District Council. I will be sending the draft report for fact checking only, so that I may correct any errors of fact. I normally ask for a response within a few days and this has usually been found to be sufficient.

If either Council share the draft with other parties please ensure the confidential and draft status of the document is made clear. This fact check procedure should not be seen as an opportunity to make further representations. Indeed, it is important that this should not occur as if I were to take into consideration further representations at that stage, this could leave the process open to successful challenge.

I would be grateful if both the Parish Council and the District Council could confirm agreement to be given the opportunity to undertake a fact check of my confidential draft report on the terms set out in this email. Please publish your response to the matters for clarification and this email on the District Council website so that the examination process is open and transparent to all interested parties.

Best regards
Chris Collison
