Dear Mr Davies

Applicant Name: Formula Land Ltd
Proposal: Planning application for the demolition of existing farmhouse, agricultural buildings and structures, the erection of a phased development of up to 300 residential dwellings (Use Class C3) and associated public open space, drainage, infrastructure and engineering works with all matters reserved except access.
Location: Orchard Farm, Defford Road, Pershore, WR10 3BX

I write in respect of the above planning application.

Regulation 34 of the Town and Country Planning (Development Management Procedure) Order 2015 states that local planning authorities should determine valid applications within defined periods. The regulation allows authorities to agree with applicants an extension period of determination of the application, provided no appeal has been lodged against non-determination.

The planning application proposes major development and the prescribed period of 13 weeks expires on 15 January 2024. By reason of the need for the application to be heard at planning committee and the next available committee meeting date on the , the application will exceed the 13 week deadline.

In light of the provisions of Regulation 34, I would welcome your agreement in writing (or by email) to extend the formal determination period for this application until 31 May 2024. This will hopefully allow enough time for the formal decision to be issued.

Could I ask you to sign, date and return the attached form as soon as possible. Please do not hesitate to contact me should have any queries on this issue.

Yours sincerely

Gillian McDermott
