Dear Mr. Ford,

## INKBERROW NEIGHBOURHOOD PLAN

Following meetings with yourself and Reiss Sadler and discussions at Parish Council meetings, I am directed to now write to advise that it is the intention of Inkberrow Parish Council to prepare a Neighbourhood Plan and to seek the approval of Wychavon District Council. I can confirm that a Steering Group has been set up, led by the Parish Council, to take the production of a plan further with the intention, following wider consultation with the community, of creating a team that has enthusiasm, local knowledge and sufficient expertise to create a Neighbourhood Plan document that will be a useful guide both for the Parish Council and the District Council for the development of Inkberrow in future years.

I look forward to receiving the District Council's approval of our proposal.

Yours sincerely,

Janet Cresswell  
Clerk and Proper Officer to the Council.

Mr. Andrew Ford,  
Senior Planning Officer (Policy)  
Wychavon District Council  
Queen Elizabeth Drive,  
PERSHORE, Worcs.
