

Statement from Broadway Parish Council

On 15th November, 2021, Wychavon District Council and the Parish Council received a note from Edward Cousins, the independent examiner, tasked with considering the Broadway Neighbourhood Plan.

In the note Mr. Cousins set out his interim conclusion that the Regulation 16 public consultation must be 're-run' because of a procedural and clerical error.

Unfortunately, a single representation, which was received during the first Regulation 16 public consultation was omitted from the Consultation Statement.

The Consultation Statement will be updated and resubmitted to Wychavon District Council prior to a further 6 week period of public consultation which is anticipated to take place early in the new year.

We would like to thank all those who have assisted in the process of preparing the Neighbourhood Plan to date and all those who have responded to previous consultations.

As a result the Parish Council have now put in additional measures within its processes to ensure that there is an ongoing review of communication into the Parish Council which will further minimise any future discrepancies.
