Drakes Broughton and Wadborough with Pirton Submitted Neighbourhood Plan Consultation

Overall, we feel the plan is well researched, thoroughly thought through, and put together in an understandable form. We therefore support adoption of the plan.

Like most rural and semi-rural communities, most of the population will have chosen to live there because they prefer living in a rural environment, rather than an urban one. It is therefore probable that they will be resistant to any change that is likely to make their villages more urban, lead to coalescence, overdevelopment or loss of identity.

The vision for Drakes Broughton, and Wadborough with Pirton is 'to maintain the rural characteristics and overall environment of the three villages within the Parishes for the future well-being of their residents and communities'.

We believe that policies, as drafted, will help to achieve their vision, and we do not have any specific comments on those policies.
