Policy H6 and H7

Please use the space below to make comments on this part of the Neighbourhood Plan.

Do I understand points H6 and H7 correctly that you will resist property developments outside the scope of this plan? So if I bought one of the homes from an elderly resident looking to downsize, but the house needs working doing to it and would perhaps be too small for my family in its current state, then you wouldn't allow me to develop and/or extend it? What if I already owned property in the village, but outside the arbitrary development boundary, that I wanted to invest in, would you resist that investment? This seems overly restrictive and not in the spirit of neighbourhood planning which is there to encourage development for the benefit of the community not give the exclusive rights to one individual and block everyone else.

Please use a separate form for each representation.

Please state whether you would like to be notified of the Council's decision on the Neighbourhood Plan proposal:

Yes No
