Village Hall - expanded site

Please use the space below to make comments on this part of the Neighbourhood Plan.

We object to the assumption of the Parish Council that this plot of land to the rear of the village hall in Harrington is available for use as described in the Neighbourhood plan * ie they contend that the ownership of this land is uncertain.

This assumption seems to be based on the fact that the plot of land is not registered. However as we have owned the land since mid 1980s (prior to 1990) there is no requirement for it to be registered.

In order to avoid any further dispute over ownership of this land - the situation where the Parish Council refuse to believe our ownership, we are currently in the process of registering our land.

Please use a separate form for each representation.

Please state whether you would like to be notified of the Council's decision on the Neighbourhood Plan proposal:
