Please state which part of the Neighbourhood Plan (i.e. which section, objective or policy) your representation refers to (please use a separate form for each representation):

Community Area P. 68

Please use the space below to make comments on this part of the Neighbourhood Plan.

I object to the plan for a community area on Village Street. I do not feel we need another community area as we already have the park and "The Orchard" and many footpaths. The proposed community area is quite small and would be of limited use. Also we have problems already with antisocial behaviour and a new community area may well be abused by the same people committing anti-social behaviour. ~~and~~

Please use a separate form for each representation.

Please state whether you would like to be notified of the Council's decision on the Neighbourhood Plan proposal:
