Please use the space below to make comments on this part of the Neighbourhood Plan.

As a member of the working group to produce this plan. I can only endorse it - I was privy to all aspects, Traffic, housing, ~~housing~~ green spaces, and Leisure Facilities. etc.
I feel very privileged to have been part of such a comprehensive document, knowing it reflects the input from many people living here, while acknowledging we must embrace change and development. The plan will preserve the essence of the village & everything that the people who live here hold dear to them.

Please use a separate form for each representation.
