Transport

Please use the space below to make comments on this part of the Neighbourhood Plan.

<p>Although the NDP highlights concerns about congestion along Main Street, it does not provide any detail of how these will be addressed.</p> <p>We already experience, indiscriminate parking often across driveways, on pavements and frequently the buses cannot get through and must wait for the parked cars to move often mounting (and damaging) the kerb to pass.</p> <p>To suggest that this can be addressed further down the line after the NDP is adopted is naïve – it's unlikely to have the desired impact as its already low on the list of priorities.</p>
