Neighbourhood Plan – Application for Designation of a Neighbourhood Area.

In accordance with the provisions of the relevant legislation [*the "Neighbourhood Planning" (General) Regulations 2012, Town & Country Planning Act 1990 (as amended) and Schedule 9 "Neighbourhood Planning" of the Localism Act 2011*], Hanbury Parish Council hereby submit this application for the designation of a Neighbourhood Area to Wychavon District Council.

We attach a map of Hanbury Parish identifying the area to which this application relates.

We confirm that Hanbury Parish Council is considered a relevant body for the purposes of section 61G of the Town & Country Planning Act 1990 (as amended) to make an application for the designation of a Neighbourhood Area and that the Parish Council resolved at its meeting on February 24th to progress with a Neighbourhood Development Plan.

The Parish of Hanbury covers a large area including several small hamlets. Dominated by the hilltop Church of St. Mary's the hub of the village is around the Village Hall with the greatest concentration of homes along the B4090 and B4091 designated as Hanbury, Woolmere Green and Mere Green areas but the main characteristic is that development is scattered throughout the parish. In order to include and give voice to all residents and it is therefore considered appropriate that the area to be designated as the Neighbourhood Area should be the entire Parish of Hanbury

A Steering Group has been set up from within the Parish Council charged with progressing the plan and all residents of the Parish will be invited to participate in creating the Neighbourhood Development Plan for Hanbury.

Yours sincerely
