Subject: Response of North and Middle Littleton Parish Council re the Cleeve Prior Neighbourhood Plan

Reiss

First of all thank you very much for allowing the Council to respond after the deadline.

The meeting took place yesterday evening.

After a lengthy discussion which took into account our concerns, both that we would like to know more about the derivation of the figures for the number of homes quoted in the Plan and that we would like to support our neighbouring Council where possible, we wished to record the following

1. Our concern over the diverse effects and impact of a potentially large number of houses .
2. That we would like to have close consultation in the future so that any decisions made will be as well informed as possible.

Among the recipients above are the Chairman and Clerk of the Parish.

Kind Regards

Jim Haywood

Vice Chairman

On behalf of North and Middle Littleton Parish Council
