This September the world's top teams and riders will be racing along roads near you in the OVO Energy Tour of Britain. Come and watch along Stage Six in Worcestershire.

The OVO Energy Tour of Britain, the nation's biggest and most prestigious professional bike race, will be showcasing 120 of the world's best cyclists across eight challenging stages, and best of all it is FREE to attend.

On Thursday 12 September Worcestershire's Vale & Spa will host the key time trial stage of the OVO Energy

Tour of Britain, with riders racing one at a time against the clock over a 14.5 kilometre / 9 mile route that starts and finishes in Pershore town centre.

Watch the riders preparing for the 'race of truth' before they set off at one minute intervals – a great opportunity to see firsthand who can take the all-important stage win, and gain time on their rivals.
