Hi,

Please see attached my comments on the South Lenches Neighbourhood Plan, (SLNP) Regulation 15 Submission Copy, May 2026

As requested, my comments have been split between 22 separate response forms.

Overall, the document is very good and I support its implementation.

Although it may appear that many of my comments are trivial suggestions, errors tend to detract from the seriousness of the content of these policies.

However, there are also some very significant concerns (and suggested solutions) that must be addressed before the finalised document is published.

I am quite happy to discuss these with you if you wish.

Regards
Richard Fellows
