Dear Sir/Madam .

CROWLE NEIGHBOURHOOD PLAN - REGULATION 16 CONSULTATION

Thank you for the invitation to comment on the Submission Neighbourhood Plan.

Our previous comments on the Regulation 14 Plan remain relevant, that is:

'Historic England is supportive of both the content of the document and the vision and objectives set out in it and consider that an admirably comprehensive approach is taken to the environment including the historic environment.

The design parameters set out in the Crowle Design Guidance and Codes will no doubt prove invaluable as a context and guide for future development. This approach and those policies designed to conserve and enhance both the distinctive character of the settlements of the neighbourhood area and the surrounding countryside whilst promoting local green space, views and the Significant Gap between Crowle and Crowle Green is highly commendable'.

Beyond those observations we have no further substantive comments to make.

I hope you find this advice helpful.

Yours sincerely,

THE FOUNDRY 82 GRANVILLE STREET BIRMINGHAM B1 2LH
