Dated 1 October 2026

Dear Carolyn and Chris

South Lenches Neighbourhood Development Plan Independent Examination – Examiner Initial Letter

Further to my appointment to undertake the Independent Examination of the South Lenches Neighbourhood Development Plan I am writing to clarify how I will conduct the examination which will formally commence today.

1. Communications

It is essential that the examination process is open and transparent to all interested parties. I would be grateful if Wychavon District Council could publish this letter on its website. I will address all future communication to Wychavon District Council, and to the Parish Council. I have been advised Cllr Carolyn Hodges will act as the nominated contact at the Parish Council. It would be helpful if, when writing to me, Wychavon District Council and the Parish Council could send a copy to each other. Any advisors to the Parish Council or Wychavon District Council should channel any communication through the relevant organisation.

2. National Planning Policy Framework and Planning Practice Guidance

I draw to the attention of the Parish Council the most recent National Planning Policy Framework published on 17 August 2026 states “for Neighbourhood Plans that have already been submitted the qualifying body may choose to withdraw the plan and update it to take account of this Framework.”

I request the Parish Council inform me as soon as possible, but no later than Thursday 15 October 2026, either that the Parish Council:

- a. wish to withdraw the plan and update it to take account of the 2026 Framework; or
- b. wish to proceed with the plan proposal as submitted (in which case, as the Neighbourhood Plan was submitted to Wychavon District Council on 26 April 2026, before the most recent National Planning Policy Framework was

published, I must undertake this Independent Examination in the context of the National Planning Policy Framework published on 12 December 2024. I would consider the Planning Practice Guidance in that context.)

3. Examination documents

Wychavon District Council has provided me either with a copy of, or access to, the main submission Neighbourhood Plan documents and each of the Regulation 16 representations received during the publicity period. I have noted additional information is available on the Wychavon District Council website and on the Parish Council website. All documents sent to me throughout the Independent Examination, should be made available for inspection by interested parties. This is best achieved through publication on the Wychavon District Council website.

I have looked at the main submission Neighbourhood Plan documents. Subject to my later detailed assessment I have not identified any obvious fundamental flaws in the submission documents that would lead me to advise the examination should not proceed. If I find that there are significant issues which may prevent the Neighbourhood Plan meeting the Basic Conditions and other requirements, that cannot be addressed through modifications, I will notify you during the examination.

Wychavon District Council has advised me what comprises the Development Plan applying in the Neighbourhood Area.

I am providing the Parish Council with an opportunity to comment on the Regulation 16 representations of all other parties, including those of Wychavon District Council. There is no obligation on the Parish Council to offer any comments but this opportunity can prove particularly helpful where representations of other parties include matters that have not been raised earlier in the plan preparation process.

I request the Parish Council should submit any comments on the representations to Wychavon District Council, no later than noon on Thursday 15 October 2026. The Parish Council may, at an earlier date, submit its comments, or confirm it does not intend to submit any comments on the representations. Wychavon District Council should forward any Parish Council comments to me, and any comments should be published on the Wychavon District Council website. Any Parish Council comments must not include new evidence.

4. Independence

From my initial review of the main Neighbourhood Plan documents, there are no conflicts of interest that would call into question my independent status. I will keep that matter under review throughout the examination.

5. Site visits in the Neighbourhood Plan area

All necessary visits to view parts of the plan area will be undertaken by me on an unaccompanied basis as it is important that there should be no perception that I have heard additional representations.

6. Clarification procedure

I may at any time during the Independent Examination seek written clarification of any matters that I consider necessary. I will direct any request for clarification to Wychavon District Council and to the Parish Council. I will request, if possible, any response is agreed as a joint response of Wychavon District Council and the Parish Council. Any request for clarification and any response should be published on the Wychavon District Council website.

I am proceeding on the basis that the examination can be concluded without the need for a hearing. At any time before I issue my final report, I may call a hearing if I consider this is necessary to ensure adequate examination of any issue, or to allow a person a fair chance to put a case.

7. Examination timetable

The main determinants of how long an examination will take are: the number and complexity of the Neighbourhood Plan policies; the clarity of supporting evidence; and the number and nature of representations. Assuming a hearing will not be necessary, and that the need for me to request clarification of any matters will not cause undue delay, I anticipate that in early November 2026 I will be able to send a confidential draft of my report to Wychavon District Council and the Parish Council to allow an opportunity to check whether there are any factual errors. That will not be an opportunity for any further representations to be made. This intended timetable should be regarded as indicative only.

I should be grateful if both Wychavon District Council and the Parish Council could confirm in writing that they are willing to participate in the fact check of my emerging draft report on the terms indicated.

8. Procedural questions

A guide to Independent Examinations can be found [here](#) I would be pleased to address any questions relating to the examination process that Wychavon District Council or the Parish Council may have.

I should be grateful if Wychavon District Council and the Parish Council could acknowledge receipt of this letter.

Best regards
