FAO - Ms. Jo Symons and/or Duncan Rudge

Much as I am 'concerned' (see the *** below)about THOUSAND's of HOUSES ' springing UP EVERYWHERE (causing INFRASTRUCTURE ; with no THOUGHT of current VILLAGES & TOWNS, in SOUTH WORCESTERSHIRE -SW.) 😞. Whilst I could 'describe' PLENTY of 'planning mistakes' -(PM) still in SW 😊!!

*** here is just ONE, to prove SW - called PM !!); could ADD more

Which is - 'Wyre Piddle by-pass (now, called on the A44; route; from - Worcester to Evesham) was agreed/ by the highway government, in 2002 👍.

It took 5 visits to the House of Commons; for YES. . (As Chairman - I went with Sir Peter Luff, for SUCCESS !!).

= in 2002; ending with the CHAIRMAN of WCC - 'taking' away the PNLR (for lots of £'s for 'his' DROITWICH 'area' !!)

= last part of OUR by-pass; mean't that CHAOS and some safety, in our narrow Main Road, has been ignored, for 20+ years 😊.

Many PLEAS were 'regularly ' requested (re health & safety); but only when many hundreds of houses where built, in and around Wyre Road and Station Road = the 'infrastructure' was (or still !!) creating DANGER.

Apologies for the explanation = my 'concern'; needed to ASK HOW ' Villagers ' can trust the decisions about to 'agree' for SWDPR ?.

I know many Cllr. Staff (WDC and/or WCC); have discussed ' these ISSUES'; to know success (even ignored)

Please CONTACT me; if my explanation is not clear - send another email, with a name and 'project' time = we can then 'dot the 'Is' for everybody

Extension to SWDP Regulation 19 Consultation

Dear resident or stakeholder

It has come to our attention that the printed copies of the Regulation 19 Publication Plan contained a formatting issue in Policy SWDPR 03 Spatial Development Strategy and Settlement Hierarchy.

This caused a misalignment of a table and an incorrect figure. However, the [online version of the Regulation 19 document](#) is correct and can be viewed on the SWDP website.

A copy of Policy SWDPR 03 as shown on the SWDPR website has been added to the printed versions of the Plan that are available at the councils' deposit locations, with a note of explanation attached.

The consultation has also been extended from Tuesday 13 December to 11.59pm on Friday 23 December 2022 as a result of this issue.

An amended Statement of Representations Procedure is also available to download using the link below, showing the revised consultation dates.

If your response concerns this policy and you would like to submit a revised response as a result of this issue, please do so by the extended deadline of 11.59pm on Friday 23 December 2022.

Kind regards

Jo Symons Head of Planning Policy Malvern Hills and Wychavon District Councils
Duncan Rudge Head of Planning and Building Control Services Worcester City Council
