Dear Sirs,

On behalf of the Governors of Himbleton Primary School, we write to express our concern regarding the impact that any new housing in Himbleton may have on flooding in the area. Flooding in the village already gets so bad that School has had to close as a result of it.

That said, new housing may attract new pupils for the school and we would also wish to register our interest in s106 allocation monies in the event that this proposal does go ahead.
